

Freedom Of Movement!

Flight 60 provides reliable home care ventilation with maximum independence. Remarkably comfortable, effective and safe ventilation delivered in an intuitive and easy to operate ventilator.

The Flight 60 ventilator is designed to address the needs of a wide range

Safe, Intuitive and Mobile

- 12 hours internal battery
- · Extensive alarm system
- Exhaled volume monitoring
- Integrated O₂ sensor with in-use calibration
- Simple to use with 7" color touch screen
- Lightweight & portable 6.3 kg
- High pressure and low-flow O₂ ports
- Fully independent internal compressor
- Trends display up to 72 hours

Full Ventilation Package

- Advanced ventilation modes
 - Pressure and Volume
 - Volume Guarantee mode
- Bi-Level
- Invasive & non-invasive
- Pediatric to adult 30 ml 2.2 liter
- Backup ventilation
- 5 programmable pre-sets
- Telemedicine ready

FLIGHT 60

Your Partner in Ventilation
